Janet

In about 1978, Colin's cousin - Louise Mc Gillivray (nee Turnbull) found the attached papers when she was going through boxes after her father - John Seaman Turnbull passed away - home 1902 - died 1978).

She sent it to us to see if we could make any sense out of it & I believe we did nothing to find out. Perhaps, you or someone in Turnbull Clan Association could help?

\* I'm also sending a photo copy of where the Branch of my husband Turnbulls came from. \* This is not up-to-date, but can perhaps provide more details.
